Testimonials

"This has truly been a gift from Heaven that I will treasure forever. You truly do understand how difficult life can get when a person gets sick.
God Bless all of you"

- Myla, 2007

"Thank you for all the help you provided me during my cancer treatments. I cannot put into words the appreciation I feel toward your organization. I live out in the country and for more than a year there were countless trips to the doctors and hospitals for tests and treatments. Not to mention the prescription drugs and miscellaneous items that I needed to help me through this ordeal."

- Martha, 2009

"I wish to ...express my "Gratitude" for your cheque to cover my transportation costs ... Women lose so much in wages, their CPP contributions are lost, and so many out of the pocket expenses...but thanks to your organization I can pay this most important bill."

- Bonnie, 2009

"There aren't enough words to express my gratitude for the help I received from you. It has greatly lightened the financial load... a big bouquet of "thanks" to you all and God Bless you in continuing this service."

- Elsie, 2009

Mission

To provide assistance to women and men in Manitoba who are experiencing financial difficulties while undergoing treatment and follow-up for breast cancer.

History

Helping Hands for Manitobans with Breast Cancer Inc. was formed in 2005, by a small group of women who saw the need for financial support not offered by any other agencies or organizations. Helping Hands is a registered non-profit charitable organization administered by dedicated volunteers. The organization is funded primarily by the communities it serves in the form of donations and fundraising initiatives. Helping Hands does not receive financial assistance from the government or any cancer-related organization.
